

INVASIVE SPECIES COMMITTEE

ONEKAMA TOWNSHIP BOARD REPORT

DECEMBER 7TH, 2010

1. 2010 Report has not been received from Jennifer Jones of Lakeshore Environmental. Expect to receive by the end of January.
2. Committee will meet in January to review report when it is received.
3. Committee may combine the January meeting with the Watershed January meeting.
4. Committee of the Watershed of the Invasive Species Committee, Grant Poole and Al Taylor to meet and update goals of the watershed. This committee will also review and discuss status of storm drain monitoring during this January meeting.
5. Friends of Betsie Bay activities
