

ONEKAMA TOWNSHIP BOARD
INVASIVE SPECIES COMMITTEE REPORT

JANUARY 4TH, 2011

1. Lakeshore Environmental Report will be received today.
2. ISC will meet with Jennifer Jones and others from Lakeshore Environmental Inc. on **January 17th at 9AM** to review the results.
3. ISC is to report to the Watershed Board on January 18th on the current status of the Watershed Goal #3.
4. Will invite Al Taylor, Kathy Ervin and Bob Blackmore to join us at this meeting. We will schedule a presentation to the Township Board in the near future.
5. Dan Behring has consented to continue on with this committee if the board approves. Watershed Board appointed him to this committee on October 23, 2008 and the Township appointed the same people to the Township Invasive Species committee on January 1, 2009.
6. You can access the 2010 Mark Tonello Fishing Report on line at

Hello everyone,

Just wanted to let you know that Heather Seites completed her report Status of the Fishery Report for Portage Lake . It can be found here: http://www.michigan.gov/documents/dnr/2009-82_340611_7.pdf

Submitted by,

Mary Reed
Chair, Invasive Species Committee
